Quartermaster Corps Honors Program

1. I want to solicit your support for nominations for the 2019 Quartermaster Corps Honors Program.
2. Annually, we recognize the outstanding contributions of our most distinguished members and units. Accordingly, we are now accepting nominations for deserving personnel and units for induction to the Quartermaster Hall of Fame, and as Distinguished Members, and Units of the Quartermaster Corps.
3. I know we have many dedicated Quartermasters throughout the Army who have and continue to work tirelessly to ensure we live up to our motto "Supporting Victory." These Soldiers, Civilians, and Units have enabled the success of our Army, and their many contributions and efforts should not go unrecognized. I urge you to consider a nomination of those distinguished individuals and units for the recognition they deserve.
4. I respectfully request you submit nominations not later than 28 February 2019 so that we may prepare and assemble them for the Honors Board process. You can find nomination information and sample forms on the Quartermaster website at http://www.quartermaster.army.mil/oqmg/corps_office/ro_nomination.html or by contacting the Corps Adjutant at (usarmy.lee.tradoc.list.lee-qm-corps-adjutant@mail.mil), or at 804-734-3533/DSN 687-3533.
5. I sincerely appreciate your continued support for our illustrious Corps, and look forward to your recognition of deserving Quartermaster individuals and units.

Supporting Victory!
