

This guide to Operational Rations is a quick reference tool. It is also posted on the JCCoE Website - Quality Assurance Division section.

1. On the website, users will find a link on the ration name, prices, menus and leads to information prepared by the Defense Logistics Agency- Troop Support and Nutrition information on ration components under COMRAD database.

2. JCCoE also provides policy information on use of the Health & Comfort Pack.

This listing will be updated annually.

May 2018
