PERSONAL STATEMENT

PERSONAL STATEMENT

Dear Sir or Ma'am,

During my tenure in the US Army, I have served in many different capacities and assumed a variety of roles. As a result of my vast experiences, I am confident that I can fulfil the role of Enlisted Aide with loyalty, professionalism, and competency.

For the past year, I have utilized my Army training to Manage and direct daily executive food service operations; for the Secretary and Under Secretary of the Army, Chief of Staff and Vice Chief of Staff of the Army and Sergeant Major of the Army. In my capacity as an Operations NCO, Platoon SGT, Drill SGT and Enlisted Aide, I have been performing these duties and responsibilities in a highly visible and no fail environment. Time management, intricate planning, attention to detail and the ability to adapt to change are significant traits required for the Position. I believe I possess these characteristics intrinsically and have honed these skills throughout my years of service.

Realizing that I will be representing you and your family I will ensure the importance of maintaining my military bearing at all times. I am currently enrolled in college pursuing my Bachelor's Degree in Hospitality Management. My wife, Joanna, understands my willingness to do what is necessary to accomplish the mission, and to enhance my career. She has never falter as my greatest support network. My family and I are ready for this assignment.

I have found that serving as a Non-Commissioned Officer and Soldier in the United States Army within the 16 years of military service has enabled me to grow professionally and I am eager to continue to serve. Lastly, I am humbled to be considered for this position.
