Governing Policy:

DoDI 1315.09, Utilization of Enlisted Personnel on Personal Staffs of General and Flag Officers (March 6, 2015)

EAs [Enlisted Aides] are authorized for the purpose of relieving G/FOs [general/flag officers] of those minor tasks and details which, if performed by the G/FOs, would be at the expense of the G/FOs primary military and other official duties and responsibilities.

Consequently, enlisted aide duties must relate to the military and other official duties and responsibilities to include assisting in discharging the DoD representational responsibilities associated with the assigned positions, and, thereby, serve a necessary military purpose.

No officer may use an enlisted member as a servant to perform duties that contribute only to the officer's personal benefit and that have no substantive connection with the officer's official duties and responsibilities.

Main duties involve:

- Maintaining quarters, uniforms, and military personal equipment
- Serve as the quarters point of contact
- Conducting official social functions
- Officer daily meals
- Additional tasks that aid the officer
