2. BACKGROUND:

Hallmark/Westland Meat Packing Co., a Chino, Calif., establishment, is voluntarily recalling approximately 143,383,823 pounds of raw and frozen beef products that FSIS has determined to be unfit for human food because the cattle did not receive complete and proper inspection. Through evidence obtained by FSIS, the establishment did not consistently contact the FSIS public health veterinarian in situations in which cattle became non-ambulatory after passing ante-mortem inspection, which is not compliant with FSIS regulations.

3. PRODUCTION DATES/IDENTIFYING CODES:

All products subject to recall bear the establishment number 'EST. 336' inside the USDA mark of inspection. The products were produced on various dates from Feb. 1, 2006 to Feb. 2, 2008.
