

DEPARTMENT OF THE ARMY  
HEADQUARTERS, 1ST ARMORED BRIGADE COMBAT TEAM - Year 2023  
1ST INFANTRY DIVISION  
FORT RILEY, KS 66442

June 23, 2023

Subject: Letter of Recommendation

Chief, Office of the Quartermaster General (OQMG)  
221 Adams Avenue  
Fort Gregg-Adams, Virginia 23801

To whom it may concern,

[REDACTED] has my strongest recommendation for selection into the Army's Training with Industry (TWI) program, specifically the [REDACTED]. [REDACTED] has performed admirably in our Brigade Combat Team and has the exceptional intellect, and professionalism that will ensure her success in this program.

[REDACTED] values and embraces what it means to be a logistician within the Army. She has a unique background and experience sustaining our most challenging formation, the Armored Brigade Combat Team in joint and multinational environments in both Europe and the Republic of Korea. She is also a graduate of the United States Merchant Marine Academy, earning both a BS in Marine Engineering and Shipyard Management and her U.S. Coast Guard Unlimited Horsepower Engineering License. Her experiences ashore and aboard commercial and naval vessels coupled with the TWI opportunity will provide the Army with a strong and expert young leader.

[REDACTED] is the exact right leader to represent our Army in private industry and I am confident that she will excel while as a TWI Industry Officer. Her abilities, motivation, and potential will enable her to transition to this assignment with ease and represent the sustainment branch well.

Please do not hesitate to contact me at [REDACTED]@army.mil to discuss [REDACTED] and her outstanding potential.

Sincerely,

[REDACTED]  
COL, AR  
Commanding
